Objective

To **improve the lives and livelihoods for workers and communities** associated with ICT supply chains particularly in the Global South

make
ICT
fair

How?

WP1: Awareness raising and creation of active citizenship

WP2: Advocating for public institutions to use their procurement spending for change + Capacity building of monitoring partners

WP 3: Researching the global ICT supply chain

WP 4: Monitoring and lobbying of government bodies and multilateral development banks

9:00 – 9:15

Welcome & introduction

Facilitator: Philipp Tepper, ICLEI

- Welcome
- Introduction to the meeting scope and objectives and Make ICT Fair project

9:15 – 9:30

- Setting the scene: Opening statement and background to Electronics Watch
- Björn Claeson, Electronics Watch

9:30 –
10:30

Speed presentations & Panel interview: what are procurers looking for?

Public authorities from across Europe present and discuss current and upcoming tenders and policies, laying out the solutions they need from the market.

Panellists include:

- Carla Canal Rosich, Barcelona City Council
- Albert Geuchies, SSO-NOORD/DUO purchasing consortium
- Michael McLaughlin, Advanced Purchasing Universities Consortium (APUC)
- Birgitte Krebs Schleemann, Aalborg
- Geneviève Doublet, Federal Office for the Environment, Switzerland
- Valentina Schippers-Opejko, Municipality of Haarlem

10:30 – 11:00	Coffee and networking	
11:00 – 11:30	Supplier pitch slams How can the market respond to public authority's needs? What sets these new products apart from the alternatives? Suppliers, manufacturers and retailers will be given the opportunity each to answer these questions and present their solutions in a fast paced session focussed on responding to the needs put forward by procurers.	
	<ul style="list-style-type: none"> - Louise Koch, Dell - Steve Haskew, Circular Computing - Madeleine Bergrahm, HP 	
11:30 – 11:45	Buyers – Suppliers Matchmaking The dialogue will continue in one-to-one talks between suppliers and public authorities. Use this time to identify who you want to engage with and find your match.	
11:45 – 12:45	One-to-one talks Public authorities and suppliers/ manufacturers/ retailers will discuss opportunities and work together on solutions to the needs identified.	Make ICT Fair info hub Know more about the research, campaigning, capacity building and advocacy activities of the Make ICT Fair project.
12:45 – 13:00	Closing
