

# Big Buyers Innitiative, Omsorgsbygg KF

Oslo, May, 25<sup>th</sup>, 2020  
Romeo A. Thomassen

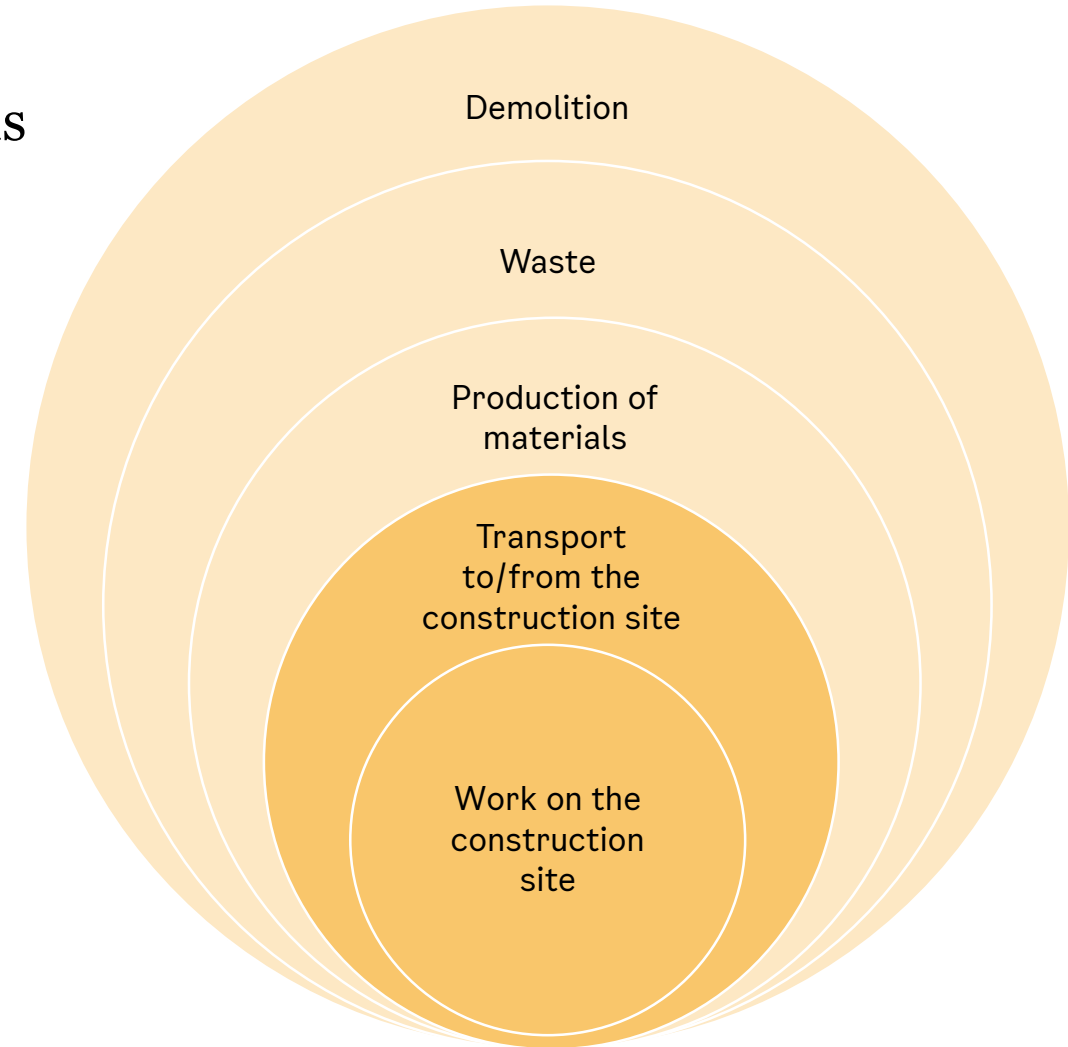

# Climate and environmental requirements

- Climate strategy towards 2030 requires emission cuts in all sectors
- The municipality shall in all planning use procurement tool to achieve the goal of becoming an emission-free city
- As a general rule, vehicles and construction machinery used in connection with the execution of work for the City of Oslo must have zero emission technology.
- Sources: electric, hydrogen, district heating, biogas, biofuel.

# Climate and environmental requirements

- New climate and environmental requirements focus on direct emissions
- Requirements are very ambitious yet realistic
- Emission-free construction sites:
  - Other transport
  - Transport of waste
  - GHG accounting
  - Transport of masses
  - Construction equipment

# Climate and environmental requirements

Procurement value	> 50 000 €	> 500 000 €	> 5 100 000 €
1. Contract requirements	X	X	X
2. Allocation requirements		X	X
3. Minimum requirements			X

Exchange rate 1 € = 10 NOK

No VAT included

1. Fossil-free construction machinery and vehicles for transporting masses and waste  
Emission-free building / construction site by 2025  
Emission-free / biogas-based mass transport by 2025
2. Emission-free / biogas-powered machines  
Emission-free / biogas-driven vehicles for mass transport and reduced mass transport  
Other transport and other measures that reduce emissions related to work on the construction site
3. Emission-free heating and drying of construction site

# Climate and environmental requirements in use

- Pilestredet 84b – Citizen Initiative
  - Procurement value above 500 000 €
  - Includes contracts and allocation requirements
  - Ongoing evaluation process
  - Legal department: Missing several variables
- Oppsal Nursing Home – demolition phase
  - Procurement value above 5 100 000 €
  - Includes contracts, allocation and minimum requirements
  - Ongoing evaluation process
  - Legal department: Missing several variables

Thank you
